

SK03-08 IP CONTROLLER

DATA SHEET

[v.1.2]

TECHNICAL SPECIFICATION

Description	IP based access controller for STP TIRIS / MIFARE SC-485 proximity readers
Part number	SK03-08
Application	Access Control System
Peripheral devices	8 proximity readers, free access point configuration STP TIRIS (T10-18) SC-485 proximity readers STP MIFARE (M5-18) SC-485 proximity readers
Fixed Inputs	AC power and Battery status monitoring
Communication for readers	SC-485 / max. 1200m / Cat5 cable
Ethernet Connection	10 Mbit/s, RJ45 connector, FIX IP address required
Power supply	STP Enclosure and uninterruptible power supply (SH02-08)

MECHANICAL SPECIFICATION

Dimension	134 x 90 mm
Mounted height	38mm (width spacer)
Fixing holes	4 x D3 holes, distances: 124.5x72.5 mm

ELECTRICAL SPECIFICATION

Supply voltage	+13.6V (8 - 15V)
Current consumption	Typical 100mA without peripherals
Operating temperature	0 °C - + 50 °C
